# ANNUAL INDEX

## January-December, 1973

A

*Aquaculture*

Fish Farming and the New Alchemists ....Oct. 124
Raising Catfish in a Barrel ....Nov. 112

*Birds*

The "Mystery" of the Martins ....June 82
Bird Feeding – in Balance ....Dec. 132

C

*China*

Living on the Land in China Today ....May 36
Walking Through China's Garden ..June 28

*Cold Frames*

Our Giant Economy-Sized Cold Frame ....Jan. 62
A Simple Cold Frame Is an Asset ..March 98
The Greens That Came in from the Cold ....Aug. 54
Cold Frame Experiences ....Sept. 57
My Winter Garden of Greens ....Nov. 46

*Community Organics*

Every School Needs a Garden ....Jan. 76
The City Farm That Teaches Organic Living ....Jan. 84
The Country Garden Co-op ....Feb. 72
Making Idle Land Produce ....April 54

*Composting*

Wasteland into Wonderland ....April 124
The Southernmost Compost Heap in the Continental United States ....June 60
A Natural Heap ....Aug. 49
Year-Round Compost Where You Need It ....Oct. 62
Insects and Your Compost Pile ....Nov. 50
A Composting Privy ....Dec. 88

*Container Gardening*

Grow Plants in Containers ....March 68
Barrel-Ring Planting ....May 105

E

*Earthworms*

Getting Started in the Worm Business ....Sept. 78
Six Boxes of Earthworms in the Cellar ....Oct. 65

*Energy*

Avoid the Energy Crunch – Organically ....Feb. 42
Heating Your Home Without Harming Nature ....March 90
The Woodlot: A Balance in the Ecology of Your Farm ....March 94
Factory Farming Is Not Efficient ....June 90
A Recycling System for Single-Family Farms and Villages ....Aug. 64
The Agri-Energy Crisis ....Sept. 98
Of Wood Cook Stoves ....Oct. 48
How Efficient Is Mechanized Agriculture? ....Oct. 120
The Energy Drain of Chemical Fertilizers and Pesticides ....Nov. 126

*Equipment*

A Low-Cost, Practical Leaf-Mulching Attachment ....Jan. 120
Tools to Treasure ....Feb. 78
A Mini-Greenhouse for the Garden ....Feb. 118
A $4 Garden Tool That Works ....March 125
Shred Your Way to Better Soil ....April 46
Tillers I Have Known ....April 76
Building Soil and Beating Johnson Grass ....April 80
Tilling after the Growing Season ....April 83
"Preparing Soil Like My Father Did by Hand" ....April 84
Tilling Without Soil Erosion ....April 86
"Now I Plant Where and When I Please" ....April 87
Triple Production from a Trellis ....May 120
A Handy Low-Cost Planting Tray....May 125
Fence Them In ....Aug. 48
Window-Screen Hotbed ....Nov. 56
A Composting Privy ....Dec. 88
Old Snow Fences Come in Handy ....Dec. 100

F

*Flowers*

Growing Bromeliads – the House Plants as Exotic as Pineapples ....Jan. 66
Lantanas and Marigolds – Border Toughies ....Jan. 74
Grow All the Flowers You Want from Seed ....Feb. 84
Start Your Annuals Now for May Bloom ....Feb. 130
Spring-Planted Bulbs ....April 64
Why Not Plant for Moonlight? ....May 55
Can the Flowers "Tell Time?" ....May 114
Old-Time Plants Are Making a Comeback ....June 36
The Begonia Has Many Faces ....June 72
Daisies! ....July 48
Mums Make It Autumn! ....Aug. 41
Fall Bulbs Light Up Springtime ....Sept. 45
Both Sides of the Multiflora Fence ..Oct. 128

*Fruits*

What to Look for in New Varieties – and Why ....Jan. 49
"Who Needs a Paycheck?" ....Jan. 86
Eat Your Shrubbery ....Feb. 52
Fruit Trees to Fit Any Yard ....Feb. 56
Pamper Your Strawberries ....Feb. 86
Jujubes – China's Gift to the Garden ....Feb. 122
Tricks with Strawberries ....April 60
Apples – "Purely Grown for You"..April 74
The Strawberry Railroad Bed ....April 115
Start Melons Indoors ....April 128
Watermelons on the Same Plot ....May 60
Blackberries with Black Bears ....May 70
Old-Time Plants Are Making a Comeback ....June 36
An Apple Tree That Bears Two Crops ....June 48
Raise Blueberries in the South? Are You Serious? ....July 68
"I'm Building Character into My Apple Trees"....Aug. 44
Grapes That Delight Us the Most ..Sept. 40
How to Find Space in Your Garden for Strawberries ....Dec. 70

G

*Grains*

Your Best Cash Crops ....Aug. 33
Buckwheat Comes Up Fast ....Oct. 86

*Greenhouses*

A Mini-Greenhouse for the Garden ....Feb. 118
Greenhouse Gardening ....March 59
Our "Turned-On" Greenhouse ....Oct. 52

H

*Health and Nutrition* (see also Organic Living and Stocking the Organic Kitchen)

New and Old Ways to Build Health with Plants ....Jan. 42
New Pesticide Act: We Pay to Be Poisoned ....Jan. 126
Delaney Amendment Under Attack Again ....Jan. 128
Get Zinc into Your Garden and into Your Diet ....Feb. 112
Vegetables Can Make You Healthier ....July 26
Avoid Hidden Hunger ....Oct. 36
Rate the Foods You Eat for Health ....Oct. 74
Sunflower Seed – The Convenient Health Food ....Nov. 77
Build Your Soil and Your Health with Trace Elements ....Nov. 82
How Nutritious Is Your School's Lunch Program? ....Nov. 88
A Green Revolution for Gardeners ....Dec. 36

*Herbs*

Three Green Herbs for an Early Taste of Spring ....Feb. 144
Basil – Brightest of the Herbs ....April 132
Persistant Parsley ....May 76

An *Osborne* SHREDDER GRINDER is "made to order" for organic gardeners.

We invite you to look at an Osborne Shredder Grinder. Built to last with heavy cast iron main frame. No rusting with galvanized sheet metal. Abrasion resisting steel hammers with four cutting edges per blade. Ball bearing mounted shaft for long life. Engine mounted high out of dirt for longer engine life – motor mount easily adjusted to maintain proper double V-belt tension. Centrifugal clutch and 7 H.P. Briggs & Stratton engine standard equipment.

Osborne Shredder-Grinders are guaranteed to be first class in workmanship and material. You can depend on an Osborne.

George Gurney

Here's something new . . . a hybrid carrot! It's extra sweet, extra tender and yields more!

GURNEY'S EARLY GIANT!
A NEW HYBRID CARROT 10¢ ppd.

Now! An Early Hybrid Giant that gives you freshness, flavor and taste appeal you just can't get in shipped-in carrots . . . and at only a fraction of a cent per bunch, too. The first of the rare carrot hybrids, it is coreless, extra high in vitamin A, and yields more . . . bushels of giant 6" to 8" tender carrots in just 69 days. Perfect for sticks or juice. Limit one packet per family, please.

GURNEY'S: FAMOUS FOR HARDY SEEDS AND PLANTS SINCE 1866.

GURNEY Seed & Nursery Company
2659 Page Street, Yankton, South Dakota 57078

Dear Mr. Gurney: Here's my dime. Please send a packet of your Early Hybrid Carrot seeds.
☐ I'd like your free, full color catalog, too.
